A. Coverage
1. We will pay with respect to a covered "auto" described in the above Schedule for "loss" to any electronic equipment that receives or transmits audio, visual or data signals and that is not designed solely for the reproduction of sound. This coverage applies only if the equipment is permanently installed in the covered "auto" at the time of the "loss" or the equipment is removable from a housing unit which is permanently installed in the covered "auto" at the time of the "loss", and such equipment is designed to be solely operated by use of the power from the "auto's" electrical system, in or upon the covered "auto".

2. We will pay with respect to a covered "auto" described in the above Schedule for "loss" to any accessories used with the electronic equipment described in Paragraph A.1. above. However, this does not include tapes, records or discs.

B. Exclusions
The exclusions that apply to Physical Damage Coverage, except for the exclusion relating to Audio, Visual and Data Electronic Equipment, also apply to coverage provided by this endorsement. In addition, the following exclusions apply:

We will not pay, under this endorsement, for either any electronic equipment or accessories used with such electronic equipment that is:

1. Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system; or

   b. Permanently installed in the opening of the dash or console normally used by the manufacturer for the installation of a radio.

C. Limit Of Insurance
With respect to coverage under this endorsement, the Limit Of Insurance provision of Physical Damage Coverage is replaced by the following:

1. The most we will pay for all "loss" to audio, visual or data electronic equipment and any accessories used with this equipment as a result of any one "accident" is the lesser of:
   a. The actual cash value of the damaged or stolen property as of the time of the "loss";
   b. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality; or
   c. The amount shown in the Schedule.

2. An adjustment for depreciation and physical condition will be made in determining actual cash value at the time of the "loss".

3. If a repair or replacement results in better than like kind or quality, we will not pay for the amount of betterment.

D. Deductible
1. If "loss" to the audio, visual or data electronic equipment or accessories used with this equipment is the result of a "loss" to the covered "auto" under this Coverage Form's Comprehensive or Collision Coverage, then for each covered "auto" our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Declarations. Any Comprehensive Coverage deductible shown in the Declarations does not apply to "loss" to audio, visual or data electronic equipment caused by fire or lightning.

2. If "loss" to the audio, visual or data electronic equipment or accessories used with this equipment is the result of a "loss" to the covered "auto" under this Coverage Form's Specified Causes Of Loss Coverage, then for each covered "auto" our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Schedule of this endorsement.

3. If "loss" occurs solely to the audio, visual or data electronic equipment or accessories used with this equipment, then for each covered "auto" our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown in the Schedule of this endorsement.

4. In the event that there is more than one applicable deductible, only the highest deductible will apply. In no event will more than one deductible apply.
